RE: **Guidelines for Photographs and Videos**

The reception of a sacrament is a precious and holy moment in the life of your child. In order to safeguard a sacred atmosphere in the Church during the Confirmation liturgy, parents/guardians and family members are discouraged from taking pictures and recording videos from their pews. The parish has hired *Bradley Digital* to photograph the entire liturgy.

Bradley Digital will photograph the actual moment of your child's anointing with sacred chrism by the Bishop.

Saint Patrick's is providing each family with the following **COMPLIMENTARY** photos: Two high resolution digital images, which can be selected online after the ceremony.

For your convenience, *Bradley Digital* provides a secure, password protected photo gallery website to view these photographs. Families are able to review these photographs as well as other candid photographs of the liturgy within 24-48 hours. You will also have the opportunity to purchase additional images and re-prints at this time.

Please read and sign the information below. Return this form with the paperwork for Confirmation to the Religious Education Office by **October 16, 2020**.

**Photo/Video Policy during Confirmation Mass
Saint Patrick Church in Malvern, PA**

I understand that photographs and videos are not permitted during the Confirmation liturgy. At no time am I or any family member permitted to leave our seats to take photos or record videos.

I give *Bradley Digital* permission to photograph my child during the Confirmation liturgy. I understand that the photograph(s) of my child will be posted at a secure website provided by *Bradley Digital*.
